Subject: Issue Log and Summary Product Testing Matrix

Sensitivity: Confidential

Hi Team,

Ken would like to have an updated Issue Log and Matrix for Rick's Staff Meeting next week. Attached are your last updates. Please continue to provide your updates in RED and return no later than noon Friday--earlier is OK too. Just a reminder to please review each product thoroughly to ensure that you have included the most up-to-date information possible.

Thanks for your continued support,

Dave
